About Us

The Cerro Gordo County Free Health Care Clinic opened in 2009 to meet the

needs of residents who do not have health insurance.

In addition to addressing immediate health-care needs, clinic providers will help clients find a “medical home.” This may include helping a client enroll in the Mercy Medical Center – North Iowa Charity Care, Medicare, Medicaid, HAWK-I or other programs. Providers will also help clients find prescription assistance.

Clinic Location: Our clinic shares space with Lindstrom Family Practice, 1327 Sixth St. SW in Mason City.

Clinic Hours: Part-time hours of operation are being determined and will be publicized in the community.
